 @BobDigitalWSI

Bob started and ran a government contracting business for 30 years which he sold in 2015. He was #250 of Inc Magazine's Top 500 rankings of the fastest-growing privately held companies in the United States.

He has won over \$100 million in Government Contracts and WSI Digital Solutions is his 5th business. He has a BS in Engineering from the United States Air Force Academy, an MBA from Washington University in St. Louis Missouri and is an OPM Graduate of Harvard Business School. He was also the Dean of Business for Stratford University and an Adjunct Professor at Northern Virginia Community College.
